Aug. 3, 1909.

I was taken Sick
November the 5. 1833
~~measles~~ and went on
Duty again January
The. 14. 1834, January
The. 29. An english frigate
Arrive at this port,

February the. 2. d
The english frigate fired
A Salute of twenty one
Guns, that ends this day

February the. 5. 1834
Thomas baby the Cook
Got liberty to go on
Board of the English
Brig when he came on
~~Board~~ he was on deck till
10 O'clock then all hands

What a sheep but the
the Boy ~~the~~ William
Petty he had the watch
And Thomas Baley asked
The boy to say nothing
About that he was a
going to take the boat
And a going a Shore
And he would be back in
A few minutes he went
About 12 o'clock and the
Steward with him the
Halted the Boat upon
The Shore and they Boat
Went ~~to~~ ^{get} ~~down~~ ^{Sum} up to get
Sum down. When they got
Down on the Beach to the
Boat they found him
Billged the Steward ~~and~~
Sum of a board and
Called one of the people

And he called the mate
and the Captain came
On deck and called all
the hands to go and find
The boat we went ashore
and found the Boat Bill
Ged an haley a holding
On to him we Boat him
On Board and mended him
The Captain flogged the
Steward for ~~not~~ going
With him and then took
William Petty and ~~George~~
Flogged him and made him
Walk the Deck with a
Hard-Spike on his Shoulder
From eight o'clock till
10 o'clock

February the 20. 1884

We were a laying in
Zanzibar Roads in the
Morning the Captain
Second mate and 6
Hands were a going
On Shore On duty we
were capsized out of the
Boat we lost a number
Of things Sum of us the
of looking of to the Brig
And saw that she was
a drift she parted her
Cables. the English Brig
Crew went to a cist
the mate in getting out
too more anchors that
Did not stop him from

She Came Broadside on
The Beach and we got on
Board a gain as soon as
We could and we got him
off with the assistance of
The People from the Shore
and from the brig et
Belonging to this Place. the
Next day the King Sent
Three Boats to our assistance
And We Went and Swept
for our anchors that we
Lost and got three of them
February the 20. So on the
We Went on Shore and got
Seven things Shars Bannels
and things that we throwed
over board — &

Saturday the 22. 1834
Arrived the Brig Quill
Of Salem from Majunga
Commanded By Capt
Leuz of Salem

February the 25. 1834
We Sailed from Zanzibar
Bound to Majunga on the
Island of Madagascar

March Sunday 7

Sunday the 7. 1834 the
Island of Comoro bearing
 $N 3/4 E$ and the Island of
Mohilla bearing $E SE$ on
Sunday Evening Saw a
Number of Whales passing
To the Westward

Sunday March the 8th
Saw the Island of Io-anah
Ind. Mayotta Eye V

Sunday March the 16. 1833
While beating of e Madagascar
around in at 8 o'clock in
the morning it was Michael
Greener. helm and
we went aft and took it
but the Captain told him
let it alone and sent
forward for John Hancock
to take the helm Michael
Greener said that he ~~was~~
even was turned away
from the helm he bore
Mistress Ellison the Second
late I stood for ward and

Heard what was said and
He did not like what was
said and told Michael that
He was too big for his trour
As the Seconth mate told him
Was no Lailon. and that he
Shoud not do his duty & Mich.
told him that he could Miss
Ten Ellison dained Michael
To fite Michael told him to
Waite till the Brig got in
And he woud go ab Shore with
him and if he wanted to fight
He woud fight with him
Then the Captain Came for ward
And told if he give enny inso
lence that he woud Seize him up
In the Riging and flog him
And the Captain took hold of

as those are pinched it will be
a piece of time. The Captain
the slave and his wife in
the night and sent him
to a Mangrove official and
him to live there there if
the Chusee to which was a
thing to all of us present
the women said a word to the
court. The thing for
and in the house. This

appeared on Sunday at 11 o'clock
on the 16. 1834
in this all dressed by all kinds

and the 18. 1834
the women at the house
the day was had a woman
the day for the day
the day for the day
the day for the day
the day for the day

The Sun shined the 7th
The Sun a large water
Spout to become a large
one mile apart. The 2nd
The Sun a large water
Spout to become a large
one mile apart. The 2nd

is very large. The Sun a
large whale ship. Steamer
The To the N. W. with
American. Colour flying
star with bright sails

Thursday the 10th to
all hands employed in
repairing sails and
putting up the string of
sails to make more room
for the cargo and three
Barrels of turtle meat
in the deck

Saturday April the 12th
this day begins strong gales
and pleasant with passing
clouds the Brig goes a long
time takes in a good deal
of water and runs very
heavy at 12 o'clock reefed
the fore top sail and main
sail. It looked like the Brig
could go back as to make a
the long boat of the
catcher etc. but we
to work to put all things
to rights again.

Sunday the 13th William
at last - took a Monday a long
o'clock going back to the shore
to get a new main sail
Wednesday the 16th April
the 16th Bruchie - leave for
Boston at 10 o'clock the night.

Maria's Suit And Topical

~~At the 1st~~ All is well
that is the same old song
and some simple things the
at present but all I shall not
tell much with a little more
in the hands and some more
in the hands and some more
it but write that for

April the 17th at 11 o'clock the
S. H. Lord of the most noble
of Maria, born at 11
Halifax 12 hours 1. H. Lord

Friday April the 18
at 10. 15 took ship
to the East & back of me
the most at 11. 15
the most moving of all
at 11. 15 took ship
at 11. 15 took ship
at 11. 15 took ship
at 11. 15 took ship

going to school in the morn-
 ing. I hope I may be able to go
 to school. I am still
 very sick -

April Saturday 19 John
Chubb took the letter
at 8 o'clock. I myself reached the
one at 1 o'clock and double
the one at 2 o'clock and took the
letter.

[illegible]

an account of there
 getting wet and the
 captain and myself trying
 to turn up the rocks for a
 week or more but of course
 to no effect.

On April the 22nd the
 weather at Studeny was
 pleasant & strong gales
 pleasant weather and a
 fine day. April the 23rd strong
 fine pleasant weather and
 sails set the main sail was
 the wind blew up with much
 sea Friday it rained bright
 the main sail was set the
 main haller I see it light ten
 the north the boys getting water

have for most of the night
 been in the long park & on
 a walk in the morning
 & on the 18th the 1st of the

little off the north land the
 fore top and dressed and
 more top in at this side such
 large Sails to the west with
 and top sails in this side and
 some during this side
 it had been coming through
 the long wind at one degree
 Africa down to the west side
 this day we approached a coast
 of mountains 10 to 15 miles
 shoreward at night but
 the wind shifted and
 and was building sail. In the
 morning morning
 from it and got the fore
 and building sail
